**Indian Rocks Rental Policy
1/1/2023**

ANY PROPERTY OWNER WHO IS NOT FOLLOWING THE COMMUNITY RENTAL POLICY AND PROCEDURES ARE SUBJECT TO FINES AND THE LOSS OF FUTURE RENTAL PRIVILEGES.

Effective January 1, 2023, the Board of Directors put a restriction on the number of properties that can be rented within the community. All Property Owners may only own two properties for the purpose of renting.

The Board finds that transient lodging adversely impacts the single-family residential character of the community by increasing commercial and residential vehicle traffic, parking demand, noise, nuisance and generally affects the welfare of the residents of the community by increasing demand for community services including, but not limited to, public safety and community watch programs. Limiting transient lodging is necessary to maintain the single-family residential character of the community and to provide a sense of safety and security in an otherwise stable community of owner-occupied residences.

Short Term Rentals

Property Owners, who rent their house(s) out for short term rentals as defined below, are required to pay a non-refundable rental fee of \$1,000.00 per calendar year plus a short-term rental license fee of \$100 (see Section 6) and a \$25.00 fee, which is non-refundable or non-transferable, for each short-term rental. A minimum of 12 rentals per year or \$300 is required to maintain rental privileges. Indian Rocks Short Term Rental Policy Agreement forms must be submitted for each rental. Property Owners are required to make the tenant aware and provide them with copies of all the rules and regulations of Indian Rocks.

Guest passes for all renter vehicles, both overnight and daytime visitors, must be obtained through the office after proper vehicle information is provided. Property Owners may not use homeowner vehicle tags for renters or guests. Failure to secure all vehicle passes is a violation of this policy.

If the Property Owner is currently leasing a boat slip from Indian Rocks, their renters may use the slip for a fee of \$25.00 per day, payable to Indian Rocks P.O.A. The renters must provide the Indian Rocks office with their current boat registration and insurance and submit the daily rental fee before their boat is permitted in the slip. Failure to submit the documentation or pay the fee is a violation of this policy.

Whereas, pursuant to the By-Laws of Indian Rocks Property Owners Association Inc., of Ledgesdale of 2020, Article IX, The Board of Directors shall have power to adopt and publish rules and regulations as governing the use of the property and facilities and the personal conduct of the members and guests.

Whereas, the Indian Rocks Property Owners Association Inc., of Ledgesdale currently has a rule and regulation for renters whereby Property Owners who rent their house(s) out for any period of time (week, weekends, weekly, monthly or yearly) are required to make the tenant aware of and provide them with copies of all rules and regulations of Indian Rocks. Anyone renting their home needs to abide by the current year's rental policy, which is available at the association office, as well as on the official website (www.indianrocks.com). Car stickers or guest passes are required to be displayed on all vehicles.

Whereas, The Board of Directors of the Indian Rocks Property Owners Association Inc., of Ledgesdale is desirous of amending the current rule on renters to reflect certain rules regulating short term rentals.

Now therefore, the Board of Directors of Indian Rocks Property Owners Association Inc., of Ledgesdale hereby enacts the following rule:

Section 1. Purpose – The purpose of this rule is to regulate the use of preexisting short-term rentals and limit the use of future short-term rentals for purposes of providing and maintaining the rural and residential character of the association, and for preserving the value of and promoting the health, safety and welfare of the residents of the association.

INDIAN ROCKS POA POLICY

DATED 12/17/22

BOAT SLIP, PERSONAL WATERCRAFT SLIP AND LAUNCH RAMP POLICY

To ensure that all members have an equal opportunity to lease a boat slip from the Association and utilize the Association's launch ramp, the Association has instituted the following policies and procedures for leasing and using boat slips and utilizing the launch ramp.

The Association owns and maintains boat slips and for which it pays current lake owner each year for permits to moor them on Lake Wallenpaupack. These boat slips are leased on a yearly fee basis to members of the Association. The Board of Directors will determine the fee for leasing a boat slip each year during the budget process. Boat docks and slips are use at your own risk.

Notification of when boat owners can dock their boats and when they must remove their boats from the docks will be published on the Association's website, and bulletin boards. Members are solely responsible for removal of their boats by the due date. The Association, Board of Directors and the employees are not responsible for, nor will they incur any responsibility or liability for member's vehicles or boats utilizing the Association's docks or ramp. This includes responsibility or liability for fire, theft, vandalism, or damage due to weather.

Any member in good standing may lease a boat slip for a boat owned by him or herself or an immediate relative after showing proof of their relationship to the boat owner. Members may request to be placed on the boat slip waiting list or to change slips at any time during the year. If you request to change your slip, once the exchange is made it is final for the remainder of the season.

The previous year's lessee is automatically renewed as long as the lessee pays for their boat slip, yearly assessment(s), and any other amounts due on the account by January 31st. If an account is not paid in full by January 31st, the boat slip will be offered in writing to the next member in good standing on the waiting list. The member must pay for the boat slip lease within 10 days of written notification, or the boat slip will be offered to the next member on the waiting list until a member accepts the lease.

Any boat to be placed in a boat slip must have a current Association sticker displayed. The boat slip lessee must have on file in the office a copy of the boat's current registration, insurance and signed dock rules to obtain a current Association sticker for their boat. The Association sticker must be placed on the shore side of the boat when it is moored in a slip and must be visible when the boat has a cover in place. Any boat in a slip without the current year Association sticker will receive a violation and fine in accordance with the current year's Fines and Fees.

Boat docks are not attached to a member's property and if a property is sold, the member's slip lease is terminated and is non-transferable to the new property owner.

Members are only allowed to lease one boat slip per year unless there are boat slips available after all members on the waiting list have been offered a slip. Second slips will be given to members for one

INDIAN ROCKS POA POLICY

season only and will not be renewed. The members name will need to be put on the second slip waiting list for the following year if they so desire one.

Indian Rocks offers three types of Association boat slip: (1) double, (2) single and (3) oversized. The type of slip is determined by the total length of the boat as indicated on the boat's registration and availability.

No boat over twenty-four (24) feet in length shall be docked in any regular sized Association boat slip. Failure to comply with this rule will result in a fifty dollar (\$50) per day fine to the member and possible loss of their boat slip if the boat is not removed.

Boats over twenty-four (24) feet will be assigned to an oversized Association boat slip, as available. Boats over twenty-four (24) feet in length are only permitted in oversized slips.

Single slip boat slips are available to be leased by member who have boats under twenty-four (24) feet in length.

Boat slip lessees trading or buying new boats must notify the office prior to docking the boat to ensure that the new boat will fit in the lessee's slip.

Boat slips shall not be permanently altered. Rugs, rubber strips, hooks, and bumpers of any kind are not to be permanently attached to Association docks and must be removed prior to dock removal in the fall. Members who damage docks will be responsible for the cost of damages.

A limited number of personal watercraft slips are available for Association members. Members are only allowed to lease two personal watercraft slips per year unless there are personal watercraft slips available after all members on the waiting list have been offered a slip. Third slips will be given to members for one season only and will not be renewed. The members name will need to be put on the third slip waiting list for the following year if they so desire one.

BOAT DOCK RULES

A boat slip lessee who does not obtain a current Association sticker for the current year (in other words, the lessee does not put a boat in their leased boat slip) is granted a one-season grace period. After the one-season grace period, the boat slip lessee must provide necessary documentation (i.e., boat registration and insurance) by March 31st to retain their boat slip lease for the current year's season. If a boat slip lessee does not provide necessary documentation by March 31st following a one-season grace period, the boat slip will be offered in writing to the next member in good standing on the waiting list. This grace period is only available one time per property owner.

If a property owner wants to relinquish a currently leased slip, the office must be notified in writing, and it must be signed by the property owner and manager. A copy goes into the property owner's file.

INDIAN ROCKS POA POLICY

The Association also maintains a boat launch ramp for the use of its membership and their guests. Use of boat launch ramp is strictly for members or their guests. **The boat ramp is used at your own risk.** All vehicles must have an Indian Rocks hang tag, guest tag or sticker and the boat or water recreational vehicle being launched must have the current registration and insurance on file with the Association office. No alcohol permitted in the area. No cars or other types of vehicles shall be parked at the launch area or the driveway leading to the ramp. They are to be removed immediately after the boat is launched in the water. Please be considerate of other members waiting to launch.

The boat docks on Lake Wallenpaupack are owned by Indian Rocks POA and are an asset to Indian Rocks. However, they have the potential of being a liability. The following rules must be observed:
